

Privacy Policy

Providing personal information is not necessary to visit this website. To evaluate and improve this website, our web servers automatically collect information used to measure the number of visits, average time spent, number of pages viewed, and methods by which it was found. To the extent users provide information to us to subscribe to the newsletter, TRC will collect that information as well.

Sharing Information with Third Parties

TRC will not sell, rent or give away your personal information to other companies for use in selling its products or services without users' consent. Circumstances under which TRC shares users' personal information with third parties include: (1) as required by any laws, or regulations or with customer authorization appropriate to the situation; (2) with users' documented consent; and, (3) pursuant to a valid warrant, subpoena or court order.

This privacy policy applies only to TRC owned and operated sites.

Security of Information

TRC's policies and procedures limit access to personal information to those with a business reason to know such information.

Terms of Use

How You May Use the Content on This Website

Website content may be used only for limited, internal, noncommercial, informational purposes. Users may print out a single copy of the content solely for those purposes, if the copy bears all copyright, trademarks, service marks and other intellectual property and proprietary notices displayed on the web page. Users may not distribute, publish, transmit, modify, create derivative works from, or in any way exploit any of the content in whole or in part for any purpose, except as authorized in this paragraph. Users are not being granted a license under any copyright, trademarks, service marks, and patent or other intellectual property or proprietary right in the content. Under no circumstances will users obtain any rights in the products, services, processes or technology described in the content. All those rights are retained by TRC, its parent TRC and affiliates and any third party owners of those rights. No other use of the material within this website or portion thereof is permitted without the express written consent of the TRC.

All maps and drawings are artists' renderings and are representational only. They are provided for informational purposes only and are subject to change without notice. Unless otherwise noted; all text, maps, images, graphics, photographs, video clips, designs, icons, sounds, information, data and other materials (the content) on this website are copyrights, trademarks, service marks or other intellectual property or proprietary rights owned or licensed by TRC, its parent TRC or its affiliates.

Links to Other Websites and References to Other Companies

References made to names, marks, products or services of third parties or hypertext links to third-party websites or information do not constitute or imply TRC's endorsement, sponsorship or recommendation of the third party. TRC does not monitor or control the content of any websites linked to or from this website, and therefore it is not responsible for the content of any websites linked to this website or the terms of use or privacy practices employed by those other websites.

Content and Liability Disclaimer

Content on this website may include technical inaccuracies or typographical errors, and TRC is not responsible for any reliance users may place on the content. TRC may make changes to the content, the products, services and programs described in the content at any time without notice.
